

NEW PARKING AND DROP OFF AT BIAC!

We are now “open for business” for South Lot Parking and Drop off areas. Please feel free to use the new entrance on Maple Street both for access to a few parking spaces as well as an area for drop off near the water. This is a MUCH safer drop off area as there is pedestrian access to the main lot as well as easier turn around. Please follow the in/out directions and do not block the driveways. As always, watch out for pedestrians!
